

Ever wonder what difference
your giving makes?

Join the Ripple Effect

Your pledge for 2026 assures that St. Paul's
continues to be a community where love
spreads beyond our walls.

226 Eucharistic Visits in 2024

Angel Tree gifts distributed: 564
Value approximately \$24,445

"St Paul's is very generous at the drop of a hat. We had an organization come to educate us on their programs and to their surprise they ended up leaving with a much needed car load of food and supply donations." -St. Paul's Parishioner

Total meals provided for those in need: 6451

"One way our family has seen the impact of St. Paul's is through the church's willingness to be the home base for a number of community groups. The children and adults who participate in these groups are having incredible, fulfilling, and memory-making experiences that wouldn't be available to them if not for the church being so giving with its facility. For us, stewardship means supporting the church's efforts to support these groups and more in the community." -St. Paul's Parishioner

It may seem like one drop....

...yet the ripples are limitless.

The Power of One Gift

At St. Paul's, one drop creates ripples that spread beyond what we see. Every pledge and recurring gift supports worship, nurtures faith, feeds the hungry, builds community and so much more. Together, our gifts create waves.
